

**REMARKS**

Claims 1-11 were pending in the application.

The title has been amended.

In light of the foregoing amendment, claims 1-11 remain pending in the application.

The Applicant requests that the words "chest pain" be taken out of the title as the patent is to a system for evaluating treatment of patients not only chest pain patients.

**Rejection under Doctrine of Obviousness-type Double Patenting**

A terminal disclaimer in compliance with 37 CFR §1.321(c) has been prepared and signed and is attached with this amendment.

Respectfully submitted,
